

Competency Letter

January 1, 2021

Reference: John Doe

VA File #: 1234567

Veteran's SSN: 123-45-6789

To Whom It May Concern,

I am Dr. Phil Physician. I am board certified to practice as a general practitioner.

I am writing a statement regarding John Doe's declaration of incompetency from the Department of Veterans Affairs.

John Doe has been my patient since May of 1997. I am familiar with his medical conditions, including degenerative arthritis of the spine and generalized anxiety disorder. I have personally reviewed John Doe's medical history, as well as his in-service documents.

Based on my medical experience and knowledge of medical literature, it is my professional opinion that John Doe is able to handle his own funds and does not require a declaration of incompetency.

Signed,

Dr. Phil Physician
General Medicine
